Petroio Handicraft Factory Terrecotte Artistic

YESTERDAY AND TODAY'S ART

HAND MADE POTTERY FOR MORE THAN A CENTURY

Although, founded under another name, F.A.T.A.P. was established in 1800. It has considerably grown since then, keeping up its original tradition. Thanks to excellent clays and the most ancient techniques, the company guarantees long lasting products, highly resistant to atmospheric agents and particularly suitable on the outside. Its skilful craftsmen are able to create their own models " by hand ", revealing the creativeness of an artistic style developed over the years. F.A.T.A.P. successfully meets the needs of today's market in Italy and throughout the world. Our company is at the service of customers who wish for the best furniture for their house or garden, and those wishing for a prestigious artisan product made with quality materials and tastefully refined.
